

Sopra Steria Recruitment appointed by Leeds City Council to supply ICT Resources

London, 13 July 2015: Sopra Steria Recruitment has been appointed by Leeds City Council as one of six preferred suppliers to provide all temporary and permanent ICT resources across the council for a 4-year period.

This win follows a competitive tendering process, which took into consideration the provider's capability and track record for supporting the delivery of critical business projects and support of ICT systems. The council was seeking to improve the supplier model to ensure that the supply of temporary and permanent specialist ICT resources is comprehensive, effective, efficient and economic.

Pete Holliday, Managing Director, Sopra Steria Recruitment, comments: *"In winning a place as a preferred supplier to Leeds City Council, we intend to ensure that the opportunity is maximised so that the council realises its resourcing and recruitment ambitions, through SSR's focus on delivery excellence.
